EMERGING LEADERS INSTITUTE

AT A GLANCE

The American Council of Engineering Companies (ACEC) of Louisiana and the American Institute of Architects (AIA) Louisiana are pleased to offer an Emerging Leaders Institute series, a leadership and career development program for individuals committed to developing both their professional and personal leadership abilities.

INVEST IN THE FUTURE

Over the years, the consulting design industry has prospered as a result of strong leadership. To ensure an equally successful future, our future leaders must be encouraged to become involved in industry and association activities. Therefore, ACEC of Louisiana and AIA Louisiana have created an Emerging Leaders Institute exclusively for aspiring professionals within its member organizations. The value of this program provides participants the opportunity to build relationships with their peers in the profession, gain insight into various aspects of successful project management and sharpen communications skills.

ELIGIBILITY

The Emerging Leaders Institute is targeted to rising industry professionals who are committed to developing their leadership and management skills and abilities and have been identified by their firm as a "future leader" of the profession.

ABOUT THE PROGRAM

Beginning in May, and continuing through November, the Emerging Leaders Institute will be comprised of three (3) one and one-half (1 ½) day sessions to be held in the Baton Rouge area. In order for the program to provide maximum benefits, participants are highly encouraged to commit and attend ALL three (3) sessions. Participants are eligible to earn a total of 22.5 AIA HSW/PDHs/LUs with full participation. Certificates to be awarded.

PARTICIPATION

To participate in the Emerging Leaders Institute, an individual must complete the application and submit it along with the \$695 participation fee no later than **April 27, 2015**. The number of participants is **limited to 20** and applications will be accepted on a first come, first served basis. The registration fee covers the administrative and program costs, plus breakfast and lunch at each full day session.
